Pinning Items in Compass

If you need to go back quickly to a record or view that you have previously opened in Compass, you can save time by “pinning” it. Once “pinned” it will be available to go back to quickly until it is “un-pinned”.

1 Open the item you wish to “pin”...

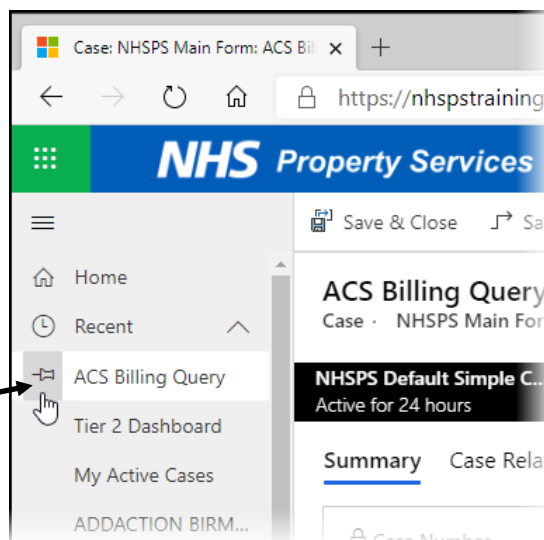

2

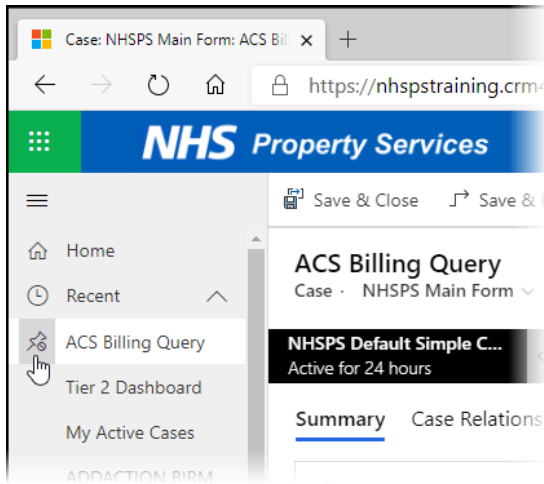

3 When you move the cursor to the left of the item, you'll see the “pin”...

...then

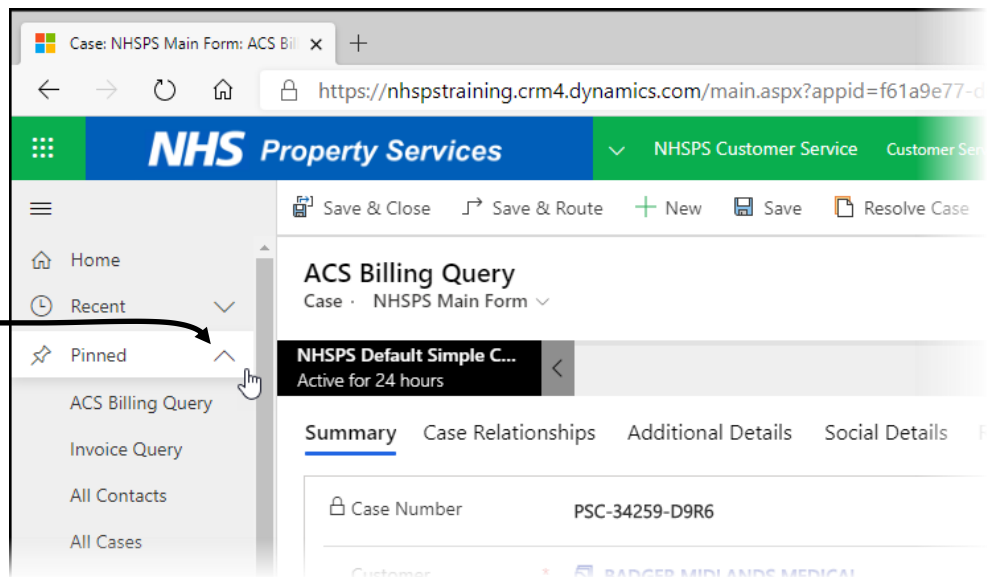

4 The item is now pinned...

5 The item is now added to the "Pinned" menu...

Whenever you want to return to it, always select it from the "Pinned" menu

Things to Remember

- When you are ready to remove the item from the "Pinned" list, all you need to do is...

...move the cursor to the left of the item and
